

CLUDO PARTNERSHIPS

BETTER TOGETHER

Your clients deserve the best search tool. **Cludo's Partner Program** delivers an unmatched search solution to expand on your digital solution offerings. By deploying an intelligent search tool to compliment your expertise, companies can gain deeper customer intelligence to guide the user journey and quickly deliver the right message at the right time.

WHY CLUDO

Over 50% of web users rely on search to find what they need. Built on AI, Cludo automatically serves better results to end users and collects meaningful behavior data to inform strategic decisions. Cludo is a low code search solution that empowers teams, from marketers to developers, to own the search journey with easy-to-use features and actionable insights.

THE VALUE ADD

All of our Cludo Partners receive:

- Product Training
- Dedicated Partnership Strategy Manager
- Access to our Customer Success team
- Revenue Share
- ROI for Customers

"Cludo has quickly become a highly valued partner of ours. This is not just due to the capabilities of the product but because of the Cludo team. Communication is first-class, but it's the passion for their product and customer care that has really shone through."
